NEW SCA Executives

Matthew Stephen - Secretary/Treasurer

Matt and his wife Sara have been living in the Stonebridge Community since 2008 and have one daughter, Cianna. He has been a Director-at-large with the Stonebridge Community Association since January 2012, and has recently transitioned into the role of Treasurer and Interim Secretary. Matt is a Chartered Accountant and currently works with a local utility company within the Internal Audit and Enterprise Risk Management group.

Ivola Johnson – Director of Memberships

Married to Troy Johnson, with children Lilla (6) and Daniel (3), Ivola has been a resident of Stonebridge since 2008. Ivola was born and raised in Hungary and came to Canada after high school for a year to be a live-in caregiver. That was 22 years ago and since then Ivola worked as a nanny for 3 years, after which she went to the University of Ottawa and obtained a Bachelor of Science with Concentration in Computer Science degree through a co-op program. She was working in the private IT world at AMS and then CGI for 10 years, after which she joined the government and has been at the IT branch of CRA for the past 4 years. She recently joined the SCA Executive as Director of Memberships and is responsible for maintaining membership information and leading membership related activities for the association.

New SCA Executives

Aniket Joshi - Director at large

Aniket has been a resident of Stonebridge since 2010. He moved to Canada 10 years ago and has been an Ottawa resident ever since. He graduated from Carleton University with a Bachelors in Electrical Engineering and now works as a Business Intelligence Software Developer.

Director at large – Hoda Mankal

Bio required

Support Your Association

- # 1 Priority is promoting Safety & Security
 - Traffic
 - Speeding
 - Intersection controls
 - Pedestrian & child safety
 - Crime Prevention
- Foster greater Community Spirit
- We want to hear from you – YOUR OPINION MATTERS : stonebridgeca@hotmail.com

Contact your Councillors & COPY US:

Stonebridge West - Jan.harder@ottawa.ca

Stonebridge East - Steve.desroches@ottawa.ca

- Come to our Board Meetings
- Executive Bios will be posted on the website under the “Your Association” Tab

Restrictive Covenants

- Restrictive covenants have been included in the sale and purchase agreements for every Stonebridge property and residents have agreed to comply with those restrictions.
- The frequency of restrictive covenant breaches has increased in recent years, particularly breaches of satellite dish positioning on homes, installation of above-ground pools, parking of prohibited vehicles, etc.
- The restrictive covenants were intended to preserve the unique aesthetic of the Stonebridge community, to support the exclusivity of the community, and to assist in the preservation of property values.
- Restrictive covenant breaches is an issue that should be of great concern to Stonebridge residents. The SCA needs your help to identify covenant breaches. Please email the SCA if you notice breaches and we will determine how to help.
- The SCA is investigating what can be done to enforce the restrictive covenants and to discourage covenant breaches.

Restrictive Covenants cont'd...

- There is legal precedence that residents can take each other to court to enforce covenant breaches.
- When covenant breaches are identified, the SCA will send a letter to the resident(s) in question to notify them of the breach and to ask for the breach to be remedied as soon as possible.
- The SCA is also working with the Stonebridge builders (Monarch, Uniform, Cardel and Valecraft) to determine if they will support SCA and Stonebridge resident efforts to enforce covenants.

Questions or comments?

Revision to SCA By-laws

- Existing SCA by-laws were created about 10 years ago and need to be refreshed to more closely reflect current structure and provide more definition of SCA objectives.
- A review of other Ottawa-based community association by-laws indicated a need to make the SCA by-laws more robust.
- The proposed revisions will provide the following benefits:
 - Provide the Board of Directors with more flexibility to appoint and change Directors;
 - Accelerate responses to issues by enabling a structure for voting between scheduled Board meetings;
 - Revisions will be discussed more fully in the attached slides.
- Members attending this meeting will be called upon to vote for or against the proposed changes to the by-laws before they can be adopted by the SCA.
- The SCA is also investigating the possibility of incorporating as a means of protecting the Directors and members from a liability perspective, and to more closely align with the structure of other community associations.

SCA By-laws: Specific Changes

- Expanded definitions of key terms and the modified boundaries of the community to reflect the expansion that has occurred since the previous by-laws were drafted.
- Established a minimum (10) and a maximum (16) number of members of the Board of Directors. This reflects expansion of the number of portfolios and provides bandwidth for dealing with an increasing scope of issues.
- Directors will be appointed by a majority vote of the other Directors on the Board. There are provisions that will enable the Directors, or SCA Members, to remove a Director based on specified criteria.
- Newly appointed Directors will hold office for a minimum of 3 years before another vote is taken to extend a Director's term. There is no maximum term, provided the other Directors approve based upon satisfactory performance.
- Provisions for quorum and methods of transacting SCA business are essentially similar to the existing provisions.
- There are also provisions around setting Board meetings and the AGM.

Proposed Board Structure

Executive Committee	President	Chris Clarke	Treasurer	Matt Stephen
	Vice-President	Vacant	Secretary	Vacant
Directors and Portfolios	Development & Transportation	Joshua Grundy	Activities	Lisa Hopkyns
	Communications	Wendy Bolf	Safety & Security	Spencer Warren
	Sponsorship	Niraj Singhal	Membership	Ivola Johnson
	Parks	Karin Taylor	Environment	Laura Fromow
Directors at Large	Director at Large	Hoda Mankal	Director at Large	Aniket Joshi
	Director at Large	Vacant	Director at Large	Vacant

SCA By-laws: Specific Changes

- The Board may create sub-committees to help with SCA business, as required. Any Member in good standing may volunteer to join a sub-committee and this is strongly encouraged.
- The Executive Committee may initiate an expenditure that has not been budgeted provided it is \$500 or less. Approvals may be granted by email but would be recorded in the minutes of the next scheduled meeting of the Board of Directors.
- The fiscal year of the SCA will be changed to coincide with the calendar year for ease of administration. Membership will also be on a calendar year basis beginning in 2013.
- Also included in the by-laws proposed for vote are (not necessarily changes):
 - Rights and powers of Members in Good Standing;
 - Parameters for setting the annual and other meetings of Members;
 - A Quorum of Members for transacting business at any annual or general meeting of Members is 20;
 - Rules for voting of Members (each Member has one vote and may vote by proxy);
 - Provisions for financial administration, including expenditure approval authorities;
 - Provisions for indemnification of Directors and Officers, conflict of interest, amending by-laws and protecting privacy of SCA Members and Stonebridge residents.

SCA Objectives

The objectives of the Association are to promote the quality of life in the community so that Stonebridge is a pleasant, fulfilling and meaningful place in which to live, by:

- 1) Promoting and protecting the interests of the community with respect to the planning and future development of Stonebridge and its environs, and promoting and protecting the safety of Residents of Stonebridge;
- 2) Ensuring, through its representatives, that the community's interests are communicated effectively to public and other agencies whose activities may be of concern to the community;
- 3) Keeping the community informed about available activities and opportunities that may be of benefit to, or affect, the Residents of Stonebridge, and initiating new programs and policies that benefit the community;
- 4) To conduct such social, educational and recreation programs as shall be deemed desirable from time to time;
- 5) To protect the natural beauty and foliage of Stonebridge and immediate surrounding areas and to devise or promote programs that enhances such natural beauty and foliage. This will be the mandate of the environment and parks and recreation portfolios.

Membership Vote

Stonebridge Community Association Members in Good Standing in attendance at this Annual General Meeting are called upon to vote for or against the proposed by-laws:

All in favour of approving the proposed set of Stonebridge Community Association by-laws, please raise your hands. If 20 or more Members in attendance approve the proposed by-laws then the proposed by-laws will be accepted as the new and official by-laws of the Stonebridge Community Association.

Development

New School Construction

Chapman Mills Public School

The two storey elementary school is currently under construction at 260 Leamington Way. Structural Steel is complete with the exterior progressing. The building is slated to be ready for the end of March 2013.

New South Nepean Catholic Elementary School

The single story JK to Grade 6 school is being built on Cambrian Rd, beside the future south Nepean Recreation Centre. The school is to be open for September 2013.

New River Mist Rd French Catholic School

The new French Catholic Elementary School at 2450 River Mist Road, official broke ground on October 24th, 2012. The school is targeting a September 2013 opening.

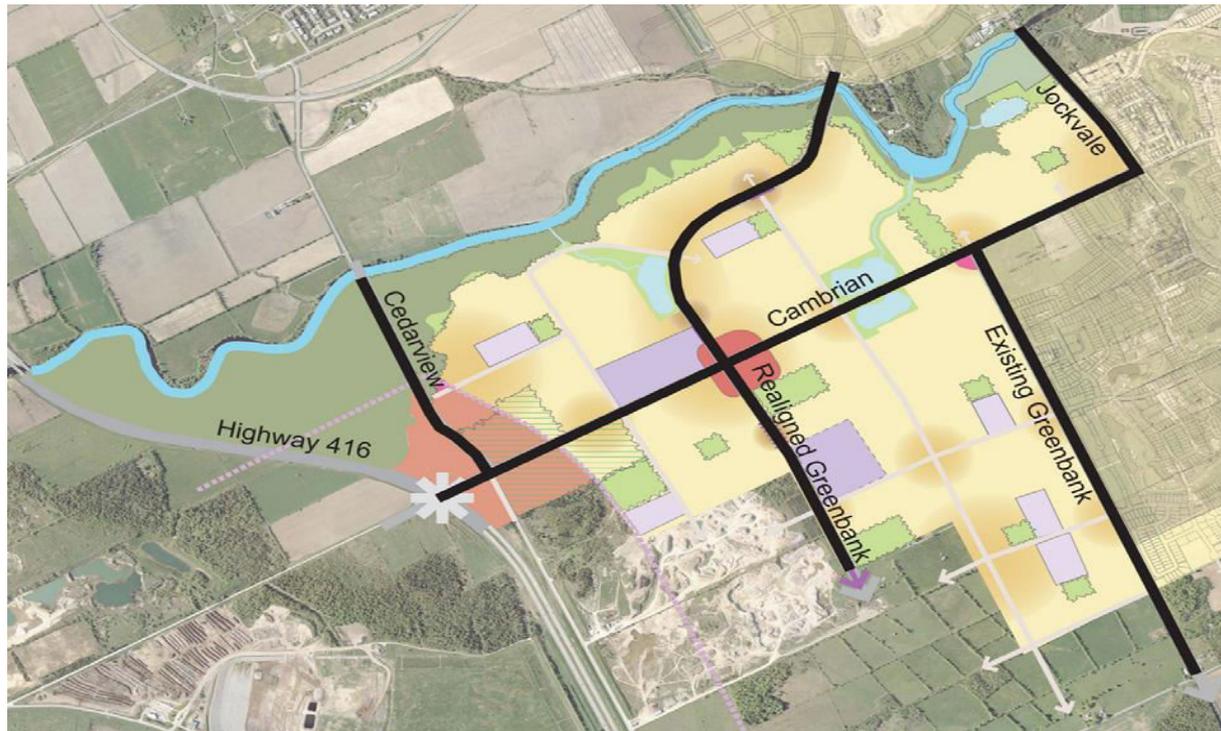

Between the three new schools the capacity has increase by over 1200 students.

Development

Realigned Greenbank Road and Southwest Transitway Extension (South of Cambrian Road) Environmental Assessment

The Association has been notified of the upcoming public consultation group for the location and design of the future new Greenbank Rd. Alignment and Transitway. The SCA will be involved to ensure Stonebridge's needs and concerns are addressed at the earliest stages.

Development

Current Roads and Infrastructure Projects

Jockvale Road Widening

Construction is progressing. A Majority of the Storm Sewer work will be complete this year. The road work, new roundabout and streetscaping will be completed next year. Traffic signals will be installed at Riverstone Drive & Abetti Ridge this December. The new west side bridge has installed the concrete I beams. Next year, the existing east bridge will be torn down and replace with a mirror of the west bridge currently being built. The completion date for the entire project is November 2013.

Cambrian Road Widening and Urbanization

Cambrian Road is being widened from Jockvale Road to Tucana Way, with new sidewalks being installed on the south side all the way to Greenbank Road. The south side is complete and work is ongoing on the north side. Completion this year will be weather dependent.

Strandherd/Earl Armstrong Bridge

The new bridge will connect Barrhaven to Riverside south.

The steel structure is currently being built with the false work and piers already complete. There were issues with the original contractor, but the new contractor is reportedly on schedule for the revised August 2013 completion date.

Future Road and Infrastructure Projects

Jockvale Road Widening Phase 3

The next phase of the Jockvale Road Widening will start at the Cambrian roundabout and proceed to just before the intersection of Prince of Wales Drive. This work is still slated for the 2017 to 2022 timeframe. However, there have been some comments that this may be accelerated. We will keep you informed of any changes and will be involved in any public consultations.

Future 416 Interchange

Still in the long term plan is a future interchange at Barnsdale Road. This will connect into the South Barrhaven area via new and old Greenbank Road.

New Greenbank Road

The new Greenbank Road and new bridge crossing the Jock river is in the long term plans for the area currently in the 2017 to 2022 timeframe. There continues to be discussion about expediting this work and it should be identified in the forthcoming transportation master plan.

Development

Other Projects to be Completed in the Future

Residential Development

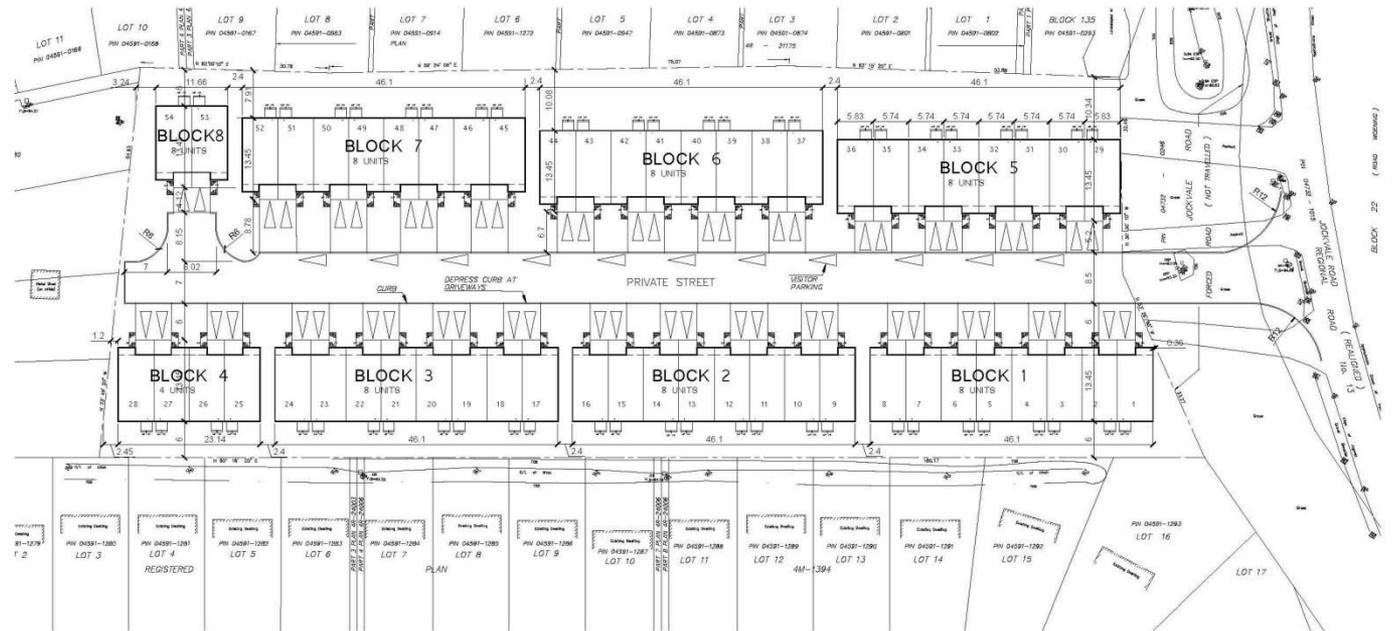

Sawgrass Towns by Phoenix Homes

- Sawgrass is a new development consisting of 52 town homes to be built on a private street directly off of Jockvale Road South of Blackleaf Drive. The project is currently in sales and pending final approvals from the city. Construction will most likely start in the spring of 2013 with occupancy spring of 2014.

The Orchards by Uniform Development

- The Orchards is a new Single and Town home development in what is currently the apple orchard south of Golflinks Drive. The development will consist of roughly 230 Units with a new street access off of Jockvale Road and internal street connection to Erinwoods Circle. The development has obtained city approvals and will start sales in the spring. The expectation is that build out will be over a five year time frame.

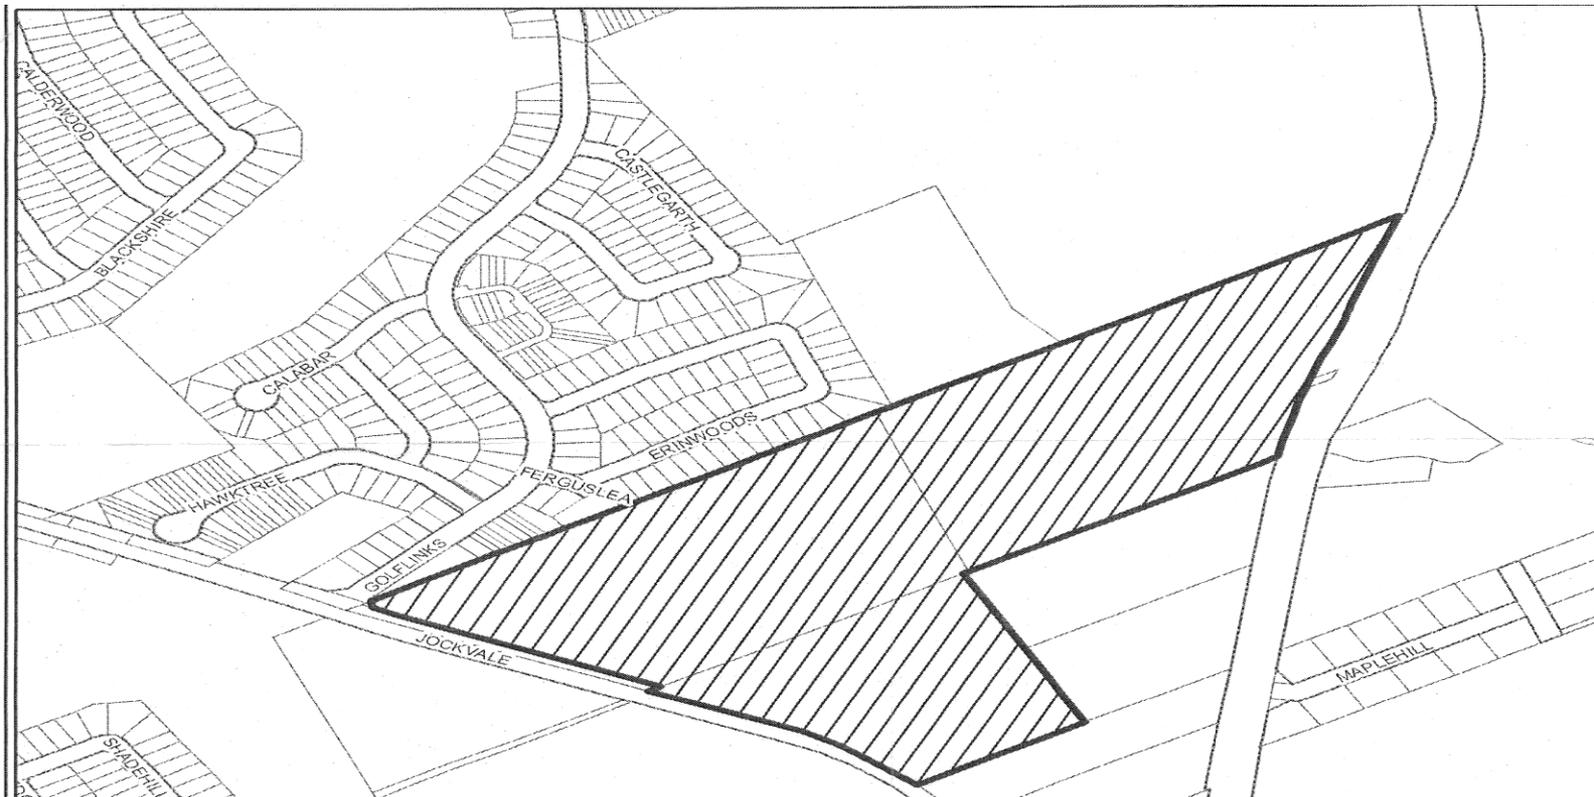

Stonebridge

Development

Proposed New Monarch/Uniform Residential Subdivision

Transportation

Barrhaven to Riverside South BRT Corridor

Representatives from the SCA took part in three public consultation groups over the summer and fall of this year. The end result was a recommendation by Ottawa City staff for a median based segregated bus corridor departing from the Barrhaven Towncentre and running down Chapman Mills Dr. across the future Strandherd/ Armstrong bridge and over to the future Riverside South Towncentre. Construction on the segment from Longfields Dr. to Greenbank Rd. will start next year as part of the Minto development. Improvements to the remainder of Chapman Mills Dr., including new traffic signals, is in the budget for next year with a full build out date not yet confirmed.

Buses in the middle

To solve traffic problems along Chapman Mills Drive in Barrhaven, the city plans to add traffic lights at intersections and bus-only lanes in portions of a broad median originally intended to accommodate light rail. Drawing, right, shows how intersections along the stretch could eventually appear.

ROBERT CROSS/OTTAWA CITIZEN

Safety and Security 2012 Accomplishments

- The SCA met with the City of Ottawa and Councillors Desroches and Harder to discuss the proposal that we developed to address several safety issues.
- Initiated an effective traffic calming measure by proposing painted lines on Kilbirnie, Blackleaf, Golf Links, and Riverstone.
- Installation of a 4-way stop sign at Pondhollow and Golf Links to break up the 2.5 KM stretch and help alleviate speeding.
- Increased speed radars on the collector roads
- Partnering with ThinkFirst and CHEO for the Stonebridge Fun Day to promote safety.

Safety and Security Priorities 2013

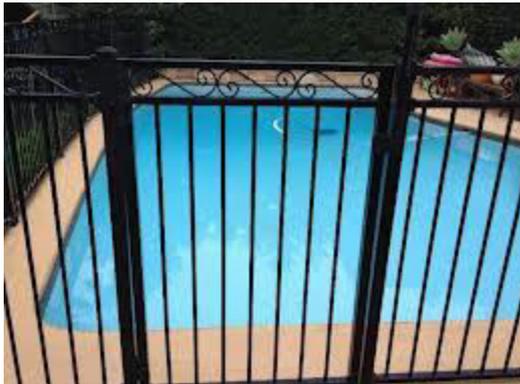

- Meet with the City to compare speed results prior to the painted lines and after they were installed.
- Increase “Kids at Play” signs on Kilbirnie & Golflinks Drive.
- Reduce all remaining 50Km speed limits in Stonebridge to 40 km.
- Continue to grow the Pace Car Initiative; sign up now!
- More visible painted lines at high-risk crossings such as parks.
- Increase the need for the community to follow bylaw when it comes to fences around pools and hot tubs.

Safety and Security Priorities

Reinforcing City of Ottawa pool and hot tub bylaw:

- 1) Every pool shall have an **adequate enclosure** erected around it in accordance with the provisions of subsection (2) to subsection (6) inclusive.
- 2) Every enclosure for a pool shall be: (a) **at least 1.5 metres** (5 feet) in height, and (b) of a **close-boarded, chain link or other approved design**, to reasonably deter children from climbing it to gain access to the fenced-in area.
- (3) Openings through or under any part of the enclosure shall be of a size so as to prevent the passage of a spherical object having a diameter of 100 mm (4").

A Hot Tub is considered a pool for the purposes of these by-laws

- (4) Gates in the enclosure shall: (a) provide protection to the enclosure, (b) be equipped with a **self-closing and latching device** located at the top and inside of the gate, (By-law No. 2009-333) (c) **be lockable**, (By-law No. 2009-333) (d) despite paragraph c), every gate in an enclosure for a pool that adjoins a space that is accessible to the public, including but not limited to a public park, a golf course, or a highway, shall be lockable and locked at all times except when the gate is being used for access or egress by the property owner or by any one who has the property owner's consent to enter or leave the property. (By-law No. 2009-333)
- (5) Barbed wire or fencing energized by electrical current, sharp projections or any other dangerous characteristics shall not be used as an enclosure for the pool.
- (6) Where a wall of a building is used as part of an enclosure, all doors located in the wall of the building shall be equipped with self-closing, self-latching and locking devices, or in the case of a door, located a minimum of 1.35 metres (4' 6") above the door threshold.

Safety and Security Priorities

Reminder of the City of Ottawa helmet by-law:

Bicycle helmets must be worn by all cyclists who are **under the age of 18**.

Look for the CSA or CPSC certification in the helmet before you buy or wear it. To provide maximum protection, the helmet should fit level and square on the head, and the front should cover the forehead. It should sit snugly on and not slip when the head is moved around, even before the chin strap is fastened. The straps should be adjusted to meet just below the ear, and fastened comfortably. See the images below for proper fitting. For more information, contact Ottawa Public Health Information at 613-580-6744.

Safety and Security Priorities

A pedestrian has the following survival rates when hit by a moving vehicle*:

30km = 95% survival rate*

50km = 55% survival rate*

60km = 5% survival rate*

*Ashton and Mackay 1979

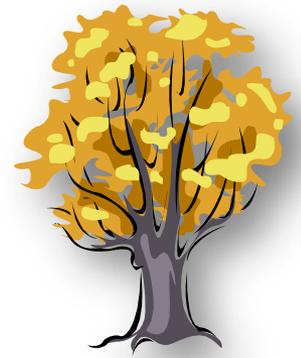

"That woke me up, too!"

Environment and Green Space 2012-2013 Highlights and Priorities

Highlights of 2012

- Spring Clean-Up Day- Held May 5th in Stonebridge- cleaned our three parks- W.C. Levesque, Kilbirnie, and Golflinks as well as along the rock walls on various streets and the parking lot on Jockvale Road.
- Adopted our Parks
- Communicated regularly with residents regarding unsightly entrances into Stonebridge, use of golf course paths during the off season, property maintenance and Ash Borer in our community

Priorities for 2013

- Emerald Ash Borer in our community- replacement of trees along Riverstone by the City of Ottawa
- The SCA has applied for a grant to assist in our Tree Mapping project of our parks in Spring 2013
- Clean-Up of Fountain at Riverstone entrance
- Covenant adherence- signage, property maintenance, etc.
- Reminders- Stoop and Scoop, Litter Pick-Up, Blue/Black Box Recycling

Memberships 2012

In an effort to streamline the registration process and to simplify the maintenance of the membership list and renewals, we are moving all residents to the same membership cycle. The cycle will coincide with the calendar year, and the SCA's new fiscal year period.

As such, you are asked to adhere to the following guidelines:

- Anyone who registered or renewed their memberships **before July 1, 2012** is asked to renew their memberships for 2013 by the end of December 2012.
- Anyone registered or renewed their membership **after July 1, 2012** is considered registered until December, 2013
- Registrations are considered valid from January 1 to December 31, with renewals expected before their expiry date. A reminder notice will be sent December 1st.
- Registration and renewals can be done via the website www.stonebridgeca.com using PayPal, by sending an e-mail money transfer to the association e-mail (stonebridgeca@hotmail.com) or in special circumstances, by cash or cheque.

Memberships 2012

- Privilege to participate and vote at the Stonebridge Association Public AGM to hear about and provide input on many topics affecting our neighbourhood.
- Supporting improvements to the community, and social events and activities.
- Ability to have a role in the Stonebridge Community Association Board and make a positive mark on the community.
- Participate in several members-only events, such as Easter Egg Hunt, Halloween Party, Kids Christmas Party, Adult Cocktail Party.
- Access to Babysitter Registry, Over 50's Club, social clubs, discounts at participating local businesses.
- Discounted rates for many association events, such as Stonebridge Adult Holiday Cocktail Party.
- Regular e-newsletters informing of upcoming events, sharing useful community related information.
- Ability to support community activities, such as Movie Night in the Park, Community Garage Sale, Fun Day, Ladies Night Out.

Communications - Priorities for 2012

Goals

1. Recruitment of Additional Street Reps
2. Membership Drive to increase membership base
3. Increase visibility of the Association, the website Facebook Page
4. Increase and encourage communications and engagement between the Association and the community, and vice versa.

Communications 2012

Street Representatives:

A list of streets that still require a representative will be posted on the website. The goal is to inform our neighbours of the existence of the Association, and to help post, and then remove, the event posters on the mailboxes on your street. Very minimal time investment required. If you are interested in helping out, please e-mail us at stonebridgeca@hotmail.com.

NEW:

Facebook Page – A social media tool that allows for quick posts on upcoming events or issues, and also provides a forum for residents to communicate and interact. It is moderated by the SCA board, and has been gaining popularity.

Support Your Association

Help us by contributing to your Community

- **RESPECT THE COVENANTS**
- **Volunteer**
- **Become a registered member**
- Join a sub-committee
- Be a street rep
- Suggest events
- Start a social club
- Join the PACE CAR program
- Pick up litter
- Protect our parks - plant trees
- Report vandalism

**Bookmark our Website and Facebook Page
keep informed & stay involved**

SCA Events and Activities

Over 50's Club

The Stonebridge Over 50 Group was created a few years ago by Christine Hollink as a way for residents to get to know one another better while sharing in various, social activities.

BOOK
CLUB

Presently there are 1 Day and 2 Evening groups that meet once a month for a lively discussion about their latest read.

BRIDGE
GROUP

An active group. All levels of experience are welcome. (Non Competitive)

DINNER
GROUP

Similar to a Pot Luck Dinner. There are 4 couples per group who get together once a month in each other's homes. Very informal and low key! These groupings are changed every 4 months. In addition there is our annual Summer BBQ and Christmas Party for the entire Dinner Group to enjoy.

SCA Events and Activities Over 50's Club

GOLF

Social games. Ladies meet on Monday mornings to play 9 or 18 holes.

A men's group get together for a round on Thursday afternoons.

ARTISTS

New Group as of 2010! Every level, every style, sharing techniques and art contacts.

Other interests, such as Gardening, Walking, Photography, etc. may be added at any time depending on the level of interest.

The primary point of contact is our Group Coordinator, Christine Hollink and she can be reached at [613-692-6766](tel:613-692-6766) or by e-mail gjhollink@rogers.com.

Details will be available on the Stonebridge website under the Community Information Tab.

Parks & Recreation 2012 Achievements

Parks:

- Kilbirnie Park field drainage system was replaced during the summer, will monitor to ensure effectiveness in the Spring.
- WC Levesque, Golflinks and Kilbirnie Park have been had adoption agreements renewed by SCA, please help out by keeping them free of garbage and reporting any graffiti or issues

Recreation:

- Stonebridge Soccer Program (6 week "play for fun" program) almost 150 children registered and successful thanks to all the volunteer coaches and helpers – call out for 2013 season volunteers will go out in March
- Skating Rink 3rd season was difficult due to weather but managed to be open 28 days...longer than most outdoor rinks thanks to our fabulous crews. If you wish to volunteer to help this winter, please let us know stonebridgeparks@hotmail.com
- Barrhaven South Recreation Complex (corner of Cambrian and Greenbank) completion currently estimated to be late 2014.

Parks & Recreation 2012-13 Priorities

- Continued participation on Barrhaven South Recreation Complex Public Advisory Committee
- Purchasing picnic benches and perhaps additional seating benches for Spring 2013
- Collaborate with Environment Portfolio and City to ensure planting plans reflect needs of the future
- Continue with the Soccer Program and Rink Program - SCA has already applied to the city to be the rink operator for Kilbirnie Park Rink for 2012-13 season and the paperwork to book the field for the 2013 Soccer season will be submitted.

Any other questions or input - please contact: stonebridgeparks@hotmail.com

Corporate Sponsorships 2012 Accomplishments

- Event “master” sponsors:

- Greco Lean and Fit (Manotick & Barrhaven)
- My Car
- Boston Pizza
- Walmart

- Other sponsorship categories

- SCA home page ad
- Business Directory Listing
- Event Sponsorships
- Special event prize

**Here to make
you happy.™**

Corporate Sponsorships Portfolio 2012 Objectives

- Continue to build strong network of business partners/supporters
 - Business Directory
 - Event sponsorships (i.e. Stonebridge Movie Night)
 - Prize donation (i.e. Special events, fundraisers)
- Identify/explore ways to increase membership base through sponsors
- What can you do?
 - ***Support our local businesses as they support us!***
 - ***Let them know you live in Stonebridge!***
 - ***Spread the word!***
